To keep updated with the latest from freespeech via email you can subscriber to our news mailing list - http://support.freespeech.co.uk/index.php?_m=news&_a=view

If you prefer you may also visit our website regularly or subscribe to our RSS newsfeed.

To subscriber to RSS paste the following URL into your news reader.

http://support.freespeech.co.uk/rss/index.php?_m=news&_a=view&group=default

How do I read RSS ?

You can read news feeds directly from Thunderbird/Mozilla -

[http://kb.mozillazine.org/RSS_basics_\(Thunderbird\)#Creating_an_RSS_News_.26_Blogs_account](http://kb.mozillazine.org/RSS_basics_(Thunderbird)#Creating_an_RSS_News_.26_Blogs_account)

MS Outlook/Explorer require a plugin such as <http://www.blogbot.com/>

Or you can run an independant news reader like <http://www.feedreader.com/>
